

P.E. 218

Module 6

TED Talk/Video Assignment

For this assignment, you will first need to view the following TED Talk entitled “I Believe in the Power of Dance”.

https://www.youtube.com/watch?v=tbk1_K0bRrY

From the video, you will see a list of 15 Skills that this speaker believes are products from the study of dance.

From the 15 Skills listed, I want you to select two (2) skills that you believe are products of the sport or sports that you participate in or have previously participated in.

Once you have selected the two skills, you will need to write a paragraph (at least 150 words) for each skill selected, explaining how your sport helps to produce this in players/athletes.

Your submission must include:

1. The name of the sport that you are writing about. (1 point)
2. A paragraph (at least 150 words) explaining the first skill you selected from the list and how your sport produces this skill in players/athletes. (10 points)
3. A second paragraph (at least 150 words) explaining the second skill you selected from the list and how your sport produces this skill in players/athletes. (10 points)

Your submission must not exceed 30% similarity or contain AI generated work when submitted into Turnitin.com.
